for conveying the produce of their gardens situated behind Yalihalli Kannanaikana kere, as also by coffee planters on week-ly market days. The proposed road will connect the cart track, beyond the waste weir of the Delvoykere tank at its left end, which track leads to some of the Coffee Estates such as Nandibetta, Tanegebile Sampigekan, Etc, and save us a short cut from Tarikere, as it will avoid the circuit ous route via Lingadahalli or Lakkavally.

2. At present we have to go round the bund of the Delvoykere Tank, after crossing the Kodihalla by a ramp, below the waste weir. But during heavy rains, when the discharge is over the weir, the halla becomes impassable. To remove this inconvenience the ryots and Coffee planters prayed for a new road being opened. The length of the proposed road being nearly 5 furlongs the same as

Estimate

Government to the Estimate. A Sum of Rs 1,000/- is available for Expenditure in the current year's District Fund Budget (vide Enclosure B. "Original works to be Executed by Revenue officers"), and any Expenditure over and above the budget allotment will be appropriated from other available heads with the previous Sanction of Government, if necessary.

6. A duplicate copy of the Abstract Estimate is also submitted as directed in Government official Memorandum

Mrl

Extract of paria 18 of the District Fund Board Proceedings of the 4th February 1898.

18. Read Executive Engineer's Docket no. 232 dated 9th December 1897, forwarding an estimate for Rs 2,276/- for opening out a road to coffee estates in the bed of Tariker Delavoyi tank.

Note — The estate owners have paid a contribution of Rs 525 towards this work.

Resolved that the work be approved and the cost as per estimate of the Executive Engineer be provided for in the next year's budget, also that the Amildar be asked to see if the estate owners and others interested will increase the amount of their subscription
